## League Academy's 2015 Summer Reading Program

### **READING IS A SUPERPOWER!!!!**

Summer is a time for relaxing, having fun, and reading! Like athletes, artists, dancers, and musicians who practice each day, reading on a daily basis improves your reading skills and increases the **SUPER POWER** of your brain which will help you become more successful in the upcoming school year!

Students who participate in our Summer Reading Program will have a blast enjoying many adventures through reading as well as several additional rewards after school begins. How??? Just follow the simple directions listed below:

**Step One:** It's **YOUR** choice! Read whatever **YOU** want to read! Select grade-level appropriate books that interest you or if you need some ideas, choose some books from the suggested reading list located on League's Library Website 2015 Summer Reading Page or visit the Greenville Public Library. If you enjoy reading eBooks click on the Overdrive link located near the bottom of League's homepage and check out books to read on your favorite electronic device. More directions are available at the League Library Website.

**Step Two:** Record the book titles and # of pages you read in each book on your Summer Reading Log (on the back of this paper). *If you lose your log or need more lines, just record book titles and # of pages along with your name on a piece of notebook paper.*

**Step Three:** At the end of the summer, sign your log and ask a parent or guardian to sign it verifying that you read the books you listed.

**Step Four:** Bring your form back to school beginning Monday, August 31 and give it to your ELA teacher. All Reading Logs must be turned in by Friday, September 4

## REWARDS, REWARDS, REWARDS!!!

***Read 500 pages (approximately 3 books) and you can enjoy an ice cream treat on Summer Reading Celebration Day!***

**KEEP ON READING**

***Read 750 pages and you will receive a special Summer Reading homework pass from your ELA teacher PLUS an ice cream treat!***

**KEEP ON READING**

***Read 1,000 pages and you receive a "Summer Reading Lunch Pass" to sit with your favorite friend PLUS the homework pass and an ice cream treat!***
